

COMMUNITY APP

Invite a primary contact to the Speak2 Community app.

What to do?

- Share the community app flyer with families.
- Share the calling and messaging flyers with residents.
- Check with residents to see who they would want to be invited.
- Familiarize yourself with the Community app

How do I invite someone?

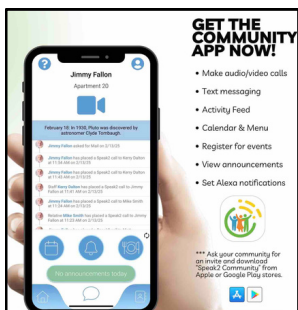

- 1 - In the Speak2 portal, navigate to the resident.
- 2 - In the resident address book, select the "Community" checkbox.
- 3 - Enter the contact information and click "Invite"

If you want this person to receive the same announcements that the resident receives, click the checkbox for announcement alerts.

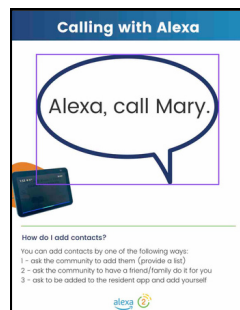

Families can:

- Make audio/video calls
- Text messaging
- Activity Feed
- Calendar & Menu
- Register for events
- View announcements
- Set Alexa notifications
