

NEIGHBORS APP SIGN IN/OUT

Mark yourself as in or out of the community. When it says "I'm in", that means you're in the community. When it says, "I'm out", that means you are not. Click the button to change it from one to another.

"I'm in"

Click "I'm in" when you are in the community. You will show as active.

Click the button to change from one to another!

"I'm out"

Click the button and it will change to a white button when you leave.

"I'm out" means that you are OUT of the community.
